SQUASH

RESULTS & ACHIEVEMENTS 2014-2015

Juniors

The Junior Section continues to go from strength to strength with a very vibrant and active programme. Lucy Turmel has been the stand out achiever. Lucy represented England in the European Championships in Portugal, winning the deciding match in the Under 17's to secure the team title. She also became the England Number 1, won 6 Silver Events and was awarded the Suffolk Junior Sports Personality of the Year. In addition to this Lucy has been selected as part of the England Under 19 Team to attend the World Championships in July 2015.

Other notable performers have been Josh and Ben Turmel who have both been competing on the National Squash circuit and are currently ranked within the top 15 in England. A number of ISC Juniors are now representing Suffolk and competing in tournaments all over the country.

Team Squash

The Ipswich Sports Club 1st Team retained their Suffolk and Essex Border League title despite some stiff competition from Lexden and Moreton Hall. This is an outstanding achievement considering a number of key players became injured and missed a significant amount of the season.

The Ipswich Sports Club 2nd Team won the inaugural Second Division Cup. This is a cup that is contested by the top four teams in the division so is a worthy accomplishment.

Other Achievements

Ipswich Sports Club hosted another PSA \$5k event in May 2015. The event attracted a high quality field and saw the return of our former head pro Arthur Gaskin – he turned out to be a very popular champion.

Ipswich Sports Club has been selected to host a Silver Junior Event in April 2016. There are only 8 of these events nationally and ISC has been chosen to host a 'stand alone' event which will attract over 200 of the finest junior players. This will require significant planning to deliver a successful event but is a challenge that the Squash Committee will relish.
