

Reporting Concerns of Possible Abuse **OUTSIDE** the Hockey Environment

What to do if you are concerned that a young person is being abused outside the hockey environment (but that concern is identified through that young person's involvement in hockey).

If you are concerned that a young person could be being abused outside the hockey environment.

If the young person requires immediate medical attention, call an ambulance and inform the doctor there is a child welfare concern.

Report your concerns to the Welfare Officer or EH Lead Child Welfare Officer who will refer the matter to the Local Authority (LA) Children's Social Care Department (previously Social Services) or the Police without delay. Make a record of anything the child has said or what you have seen, if possible with dates and times.

If the Welfare Officer/EH Lead Child Welfare Officer is not available, refer the matter to LA Children's Social Care Department (Social Services) or Police without delay.

Take advice from LA Children's Social Care Dept (Social Services) or the Police whether it is appropriate to discuss the matter with parents.

Complete an EH safeguarding referral form, copy it to the relevant external agency and the EH Lead Child Welfare Officer.
