Hello,

My name is Todd Johnson and I joined Ipswich Sports Club in 2008.

A love of racket sports started at a young age which led me to running a successful stringing and equipment business in Durango, Colorado.

In the past 25 years I have strung rackets for some of the top pros.

I am now offering a friendly and personal service at Ipswich Sports Club.

TJ Sports Gear offers Same Day Racket Stringing for Squash, Tennis, Badminton, Racketball and has the equipment you need to Play Your Best !
